Re: DT 07-011, Verizon New Hampshire
Transfer of Assets to FairPoint
Petition to Intervene

To The Parties:

On May 14, 2007, a petition to intervene was filed in the above-captioned proceeding on behalf of Manchester-Nashua Cellular Telephone, L.P., NH #1 Rural Cellular Telephone, Inc., and USCOC of New Hampshire RSA #2, Inc., wholly-owned subsidiaries of United States Cellular Corporation (jointly, "U.S. Cellular"). U.S. Cellular provides wireless service in New Hampshire through interconnection arrangements with Verizon New England. No objections to the intervention request have been filed.

The Order of Notice entered in this docket established February 23, 2007 as the date for filing petitions to intervene. However, U.S. Cellular indicated in its petition a willingness to abide by the procedural schedule established for the docket. Therefore, the Commission has determined that no party will be prejudiced by the granting of U.S. Cellular's petition, which is consistent with the applicable standards for intervention. Accordingly, U.S. Cellular's motion is granted.

Sincerely,

Debra A. Howland
Executive Director & Secretary
